

The image features a character from the game Battlerite on the left. She is a woman with long, vibrant red hair, wearing a black bra-like top and a skirt with a thick white fur trim. She has a headpiece with two large, dark, horn-like spikes. She is holding a large, glowing blue cube in her right hand, which is raised high. The background is a dark blue with swirling, ethereal light patterns. On the right side, the word "BATTLERITE" is written in a bold, orange, stylized font with a black outline. The letters are slightly jagged and have a metallic, blocky appearance. Below the text is a small, brown, spiked object that looks like a piece of armor or a weapon component.
